THE 2006 INTERDISCIPLINARY GRADUATE SUMMER SCHOOL

JUNE 18 – 24, 2006

KANSAS CITY, MISSOURI
SUMMER SCHOOL APPLICATION PROCEDURE (FACULTY):

The Center for Full Employment and Price Stability (C-FEPS) at the University of Missouri Kansas City is pleased to host the 2006 Interdisciplinary Graduate Summer School.

We have previously hosted several Post Keynesian and Institutionalist Graduate Workshops, while this year’s “heterodox” summer school aims to incorporate Institutionalist, Post Keynesian, and Feminist traditions. This new arrangement is motivated by the recognition that, for pedagogical reasons, it is beneficial to expose students to all three approaches and that combining these approaches would encourage collaborative research across the three schools of thought.

Faculty interested in offering lectures and leading discussions in one or more of the above three traditions in economics are invited to submit an application to the organizers. The application should include a brief outline of the proposed lecture, a short list of references that will be used for the lecture, and an abbreviated CV.

The program is being organized by C-FEPS – UMKC, AFEE, AFIT, and IAFEE. The proposed lectures should cover one or more of the following areas in each school of thought (cross disciplinary talks are highly encouraged).

1. Methodology
2. History of Thought
3. Pedagogy
4. Micro/Macro issues
5. Policy
6. Theory
7. Empirical Work
8. Other

In addition, please indicate your expected dates of attendance at the Summer School (which runs June 18-24); note that preference will be given to those faculty who are willing to stay for most, or all, of the Summer School. C-FEPS will provide for most meals for the faculty, however, it cannot cover accommodations and travel expenses. Send the materials to Pavlina Tcherneva at the email below by March 15, 2006.

SUMMER SCHOOL APPLICATION SUBMISSION DEADLINE: MARCH 15, 2006

Costs
C-FEPS will cover all breakfasts, lunches and 2 dinners for summer school faculty. The remaining dinners, travel and accommodations are the responsibility of the summer school faculty. To those who apply early, we can offer accommodations during the summer school for $39, $49 or $59 per night plus tax.
